

❶ Screw two vertical bars with bases

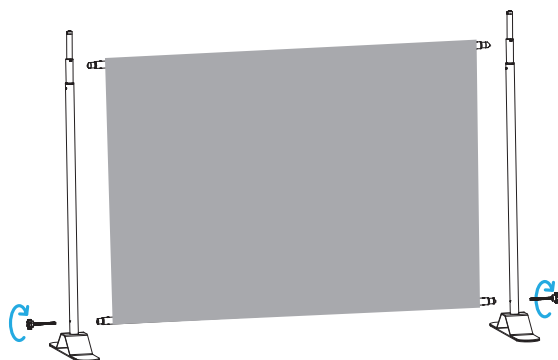

❷ Adjust the length of two horizontal bars to fit for the graphic

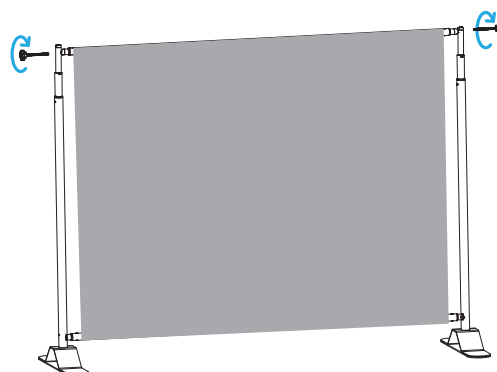

❸ Put on the graphic with two horizontal bars

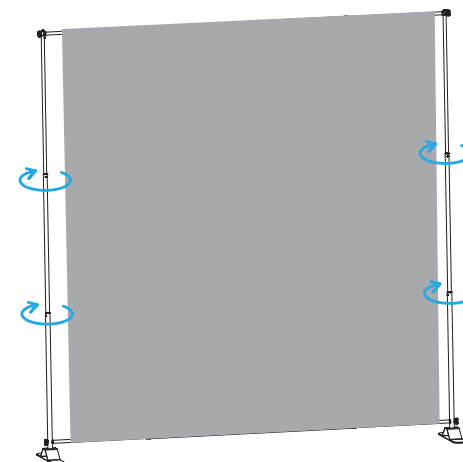

❹ Connect the bottom horizontal bar with Vertical one by screwing.

❺ Connect the upper horizontal bar with Vertical one by screwing.

❻ Rotate two vertical bars to fit for the graphic by height adjustment.

Disassemble in the reverse order.

Caution: Make sure the graphic is folded neatly and save it in bag after using, to avoid wrinkle.
